Why "for life" matters

Legal needs come in waves. When a client you referred comes back, you earn again.

A will today	you earn 20%
A deed next year	you earn 20%
An LLC after that	you earn 20%

THE ONE FIRM RULE

Partners never give legal advice. You may hand out your card and explain the notarization process. You may not recommend forms, fill in or review documents, or explain what a document means. Unlicensed practice of law is a felony in Florida (s. 454.23).
